

## **ADVANCED MENTORING CLASSES**

The Advanced Mentoring Class is designed to gain a deeper understanding of the mentoring process and enhance your mentoring effectiveness.

During this class, you will:

- ~ Advance your mentoring skills and abilities
- ~ Identify and address common mentoring concerns
- ~ Learn facilitation techniques and tools with a focus on transferring knowledge and skill
- ~ Learn the difference between 1:1 mentoring and group mentoring

### **Event Details:**

**Date:** Thursday, 22 August (0800 – 1200)

**Location:** Bldg 2189 (Career Development Center)
